COMPETITION

The competition will be organised into one pool for both juniors and seniors. All matches will be played at the same park.

Competition Ladder

- Goal difference will be used to determine final placings if more than one team finishes on the same number of points.
- If goal difference is the same, the team scoring the most number of goals shall be placed higher.
- If goal difference is level, and the teams have played, the result of this match will determine the team to progress. If this is still equal, a toss of the coin will decide – as per FIFA rules.

Drawn matches in final series

- If after the duration of the time in a semi-final, final or grand-final, the score results in a draw, an extra five (5) minutes each way will be played. In a semi-final, if a draw still results, the team higher in the competition table shall be the winner. In a grand-final, if a draw still results, both teams will be joint winners.

- 1 Intentional handball
- 2 Any form of unnecessary rough play; eg. tripping, pushing, holding back.
- 3 Swearing, abusive language
- 4 Goalkeeper picks up an intentional backpass

Goal keepers cannot pick up any ball intentionally passed or thrown back to them by their own team. If they do, a free kick is awarded where the keeper touched the ball. The keeper can only pick up the ball if it has been headed by either team, kicked by the opposition, thrown from the sideline by the opposition or unintentionally passed back.

Goalkeeper can, after fielding the ball, run to the edge of the penalty box to kick the ball into play.

Goal Kicks

A player is in an offside position when the ball is played forward, if he is nearer to his opponents' goal line than the ball, unless:

1. He is in his own field of play or
2. There are at least two of his opponents, one of which may be the goalkeeper, nearer their own goal line than he is.

An interchange system exists where an unlimited number of replacements are allowed within a registered team. Any player replaced may return to the field later in the match, as long as no more than 9 (juniors) 11 (seniors) team members are on the field at any one moment. Interchange situations may only take place at a time when the flow of the game will not be affected i.e. behind the play or during a stoppage.

Note on Rule - When a penalty is awarded, neither the goalkeeper nor the player taking the penalty kick may be interchanged before the penalty kick is taken.

Mercy Rule

When your team is in front by 8 goals, the game will stop keeping score from this point and the score will be final. The game may continue to provide students with learning opportunities. For example, if the score reaches 8-0, 9-1, 10-2, etc that will remain the final score. No further goals will be noted down. Results to be entered via Google Drive link provided on Friday afternoon.
