COMPETITION

The competition will be organised into one pool for both juniors and seniors. All matches will be played at the same park.

- Goal difference will be used to determine final placings if more than one team finishes on the same number of points.
- If goal difference is the same, the team scoring the greatest number of goals shall be placed higher.
- The competition is first past the post format, the team that finishes in 1st place after all the rounds of the competition have been played out, regardless of washouts will be deemed premiers.
- In the case of competitions which have BYE's, an average formula will be used to determine the final placings. This formula is the total number of points accumulated over the season divided by the number of matches played. This is why 0 points will be awarded for a BYE.
